

District Calendars and Menus

There are new district calendars and menu calendars on the website. To access the calendar, open a web browser and go to the district site (www.fctigers.org) or any page on the www.fctigers.org website. Click on the picture below **District Calendars and Menus**.

This brings up the below calendar. By clicking on the Help button, you can go through a Tutorial. It is recommended that you go through the Tutorial, which is more descriptive than these brief directions. The Menus section is not included in the Tutorial because that is new.

The current day has the star symbol by the day of the week.

Items shaded pale orange have been recently updated.

On the next pages are brief descriptions of the calendar sections.

This icon will get you back to the calendar view.

Schedules of events, including athletic schedules, are available in a list view..

If you sign up with your email address by clicking here, you will get an email message every time the calendar is updated or changed.

This help menu has a Tutorial that will show you how the calendar functions. It is recommended that you go through this Tutorial.

This is not a complete list of the groups - the search menu lets you scroll through the long list.

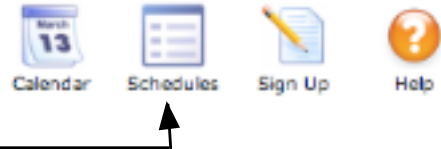

You can use one or any combinations of them. For example, to see a list of all of the middle school football games, first select Falls City Middle School under By School and then select Football under By Activity. If you only want to see the 7th grade football games, you also select Falls City MS Football - 7th under Groups.

If you want to select more than one school, activity, group, etc., click Advanced Filter to bring up window with all of the filters. Use the Command key to select multiple items in a menu.

You can print the filtered calendar by clicking the printer icon. If you want the Event Calendar to fill the sheet, go to Page Setup and choose the landscape orientation.

After you do any filtering on the Event calendar, make sure you Clear the filter to get back to the original calendar.

You can obtain sports schedules and monthly schedules of events in a list view by clicking on the Schedules icon in the top menu.

The schedules listed at the bottom that are titled “Falls City Public Schools Event Calendar for [month name] [year]” list all of the events at all schools for that month.

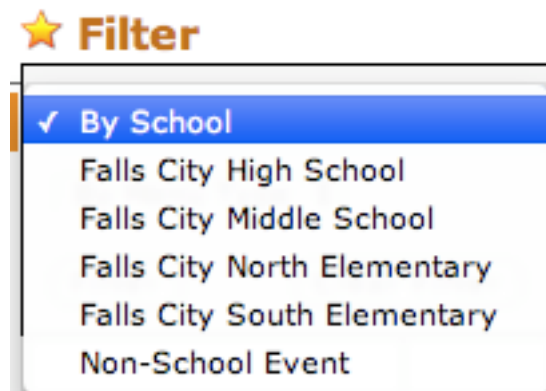

Any event that is cancelled will appear both on the schedule and in the calendar view with a line through it.

The breakfast and lunch menus are available on the calendar by clicking Menus. That will bring up the breakfast and lunch menus for all of the schools.

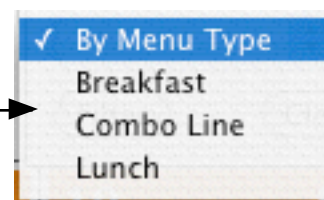

To get certain menus, you can use the Filter.

You can filter just By School, which will give the breakfast and lunch menus at the chosen school.

You can filter By Menu Type, which will give the Breakfast Menus, Combo Line, (only available at the high school) or Lunch Menus at all schools.

You can also use both the Campus and Menu Type filters. To do that,, first choose a school under By School and then choose a menu under Menu Type. For example, choosing Falls City High School under By School and Lunch under By Menu Type will give you the lunch menu at Falls City High School. By clicking the printer icon, you can print the menu. If you want the menu to fill the sheet, go to Page Setup and choose the landscape orientation.

After you do any filtering on the Menu calendar, make sure you Clear the filter to get back to the original calendar.
